2022-2023 Share the Fun Club at Summit Community Center

SUMMIT, N.J., August 17, 2022 – The Summit Department of Community Programs is announcing its Share the Fun Club program for the 2022-2023 school year.

The Share the Fun Club is a fully supervised, drop-in, after-school program for Summit residents in grades 1 to 8. Program supervisors will lead children through a variety of interactive gym games and activities, arts and crafts, homework help, and more. The program operates at the Summit Community Center, located at 100 Ashwood Avenue, from 3PM to 5:30PM on all school days, and most half-session school days from 12:30PM to 5:30PM.

To attend, participants must register for an Open Gym Membership [online](#) or by calling 908-277-2932. There are individual and family memberships available for purchase. View more information [here](#).

Participants should enter the Community Center through the main entrance and scan their ID badge at the front desk. Personal belongings should be placed in the Investors Gymnasium. There are three rooms at the Community Center that will be available for participants to use:

- **Investors Gymnasium:** The Investors Gym will be divided into two sections. On one side of the room, arts and crafts will be offered, supervisors will be available for homework help, and a snack will be provided each day. On the other side of the gym, children can enjoy a variety of activities such as basketball, dodge ball, four square, badminton, and more.
- **Game Room:** The Jordan Glatt Youth Lounge, or “Game Room,” has couches and seating where children can play video games, board games, or do arts and crafts.
- **Meeting Room:** The Meeting Room across from the professional offices at the Community Center will be open for children to take part in quiet activities such as homework.

Participants will be notified by email of schedule changes and program updates, using the email address that was used to register for the Open Gym Membership.

For more information, please visit www.summitcommunityprograms.com or call the Department of Community Programs at 908-277-2932.
