### **City of Summit Offering Unpaid Internships for summer 2020**

SUMMIT, N.J., March 3, 2020 – The City of Summit is continuing its successful unpaid college internship program for the thirteenth consecutive year. Applications from Summit residents will be accepted beginning Monday, March 9 through Friday, April 10. Interviews will be scheduled beginning April 13 for selected applicants.

College students majoring in political science, public administration, human resources management, finance, or communications are encouraged to apply for the program. Participants will be able to add significant project management experience to their resumes. Interns are required to work a minimum of 28 hours per week, Monday through Thursday, for four weeks in the month of June.

Alumni of the City of Summit internship program have secured positions in the White House internship program and with the US State Department, as well as paid positions at Google, Tesla Motors, US Institute of Peace and Goldman Sachs.

“The City of Summit internship program is an excellent way for young residents to gain important work experience,” explains Summit Mayor Nora Radest. “We offer a number of very interesting opportunities for students to pursue with direct involvement in municipal projects.”

There are a limited number of positions available in the summer internship program. If interested, please send a resume to [pressoffice@cityofsummit.org](mailto:pressoffice@cityofsummit.org). The deadline to apply is Friday, April 10, 2020.
