Summit Family Aquatic Center Opening is delayed for 2020 Season

SUMMIT, N.J., May 14, 2020 – The City of Summit Department of Community Programs is announcing its Summit Family Aquatic Center will not open as planned on Memorial Day this year. The start of the 2020 season will be delayed to protect the health and safety of its members, and to comply with restrictions from the State of New Jersey related to the COVID-19 coronavirus pandemic. A determination on when and if to open the SFAC in late June will be made once guidelines are issued from the State of New Jersey.

[Registration](#) for the 2020 season at the Summit Family Aquatic Center is currently open. Membership and guest rates can be viewed on the Department of Community Programs [website](#).

The award-winning Summit Family Aquatic Center (SFAC) has been recognized by the New Jersey Recreation and Parks Association for its outstanding design and innovative and inclusive programming. The SFAC features an Olympic sized main pool, two slides, and a zero-depth entrance leisure pool. Programs and special events include paddle board lessons, kayaking, yoga, dive-in movies, and float nights.
