Four-way Stops Installed at Three Intersections in Summit

SUMMIT, N.J., August 25, 2020 – As part of a coordinated citywide effort to enhance traffic safety, the Summit Police Department and Department of Community Services engineering division have installed three four-way stops at the intersections of Prospect and Tulip streets, Ashland Road and Tulip Street, and Ashland Road and Maple Street. The new all-way stops will be active on Wednesday, August 26, and are intended to increase overall safety at intersections with significant vehicle, bicycle and pedestrian traffic.

For more information on the Summit Police Department and traffic safety education and engineering initiatives, please go to cityofsummit.org/police.
