### **Additional Summit Free Market event to be held on October 27**

SUMMIT, N.J., October 12, 2022 – The Summit Free Market will be open for an additional weekday event on Thursday, October 27 from 1:30PM to 3:30PM at the Transfer Station located at 40 New Providence Avenue. The temporary weekday hours will be staffed by volunteers and are being added after numerous requests from members of the community to open the building during the week. Scheduling future weekday hours will depend on volunteer availability and attendance by residents at the October 27 event.

The Summit Free Market Committee is a student-led, volunteer-run initiative that hosts monthly events at the Transfer Station on the second Saturday of every month from 8AM to 3PM. Residents can bring reusable, yard-sale quality items to share, and take whatever they may want or need at no charge. Since its inception in 2008, the Summit Free Market has served more than 5000 residents and has kept over 165 tons of reusable material from the waste stream.

Residents must have a permit to access the Transfer Station to attend. Permits can be purchased [online](#) through the City of Summit Parking Services Agency.

Citizens are asked to follow these [guidelines](#) from the Summit Free Market Committee when donating items. Visit the Summit Free Market [website](#) for more information.
