Summit Department of Community Programs to host Tatlock Field Meeting

SUMMIT, NJ, November 15, 2024 – The Department of Community Programs is hosting a community meeting on the proposed Tatlock Field lighting project on Wednesday, December 4, at 7:15PM in the auditorium at Lawton C. Johnson Summit Middle School, located at 272 Morris Avenue.

At the meeting, the results of the following completed studies will be presented: Environmental Impact Study by PWS – EcolSciences, Inc.; Traffic Study by Shropshire Associates LLC; and Field Use Study by the Department of Community Programs.

Following each presentation, 30 minutes will be allocated for questions only. General comments will be accepted at the end of the meeting after all three presentations.

Questions will be answered live at the meeting, but community members are encouraged to submit questions via email to dguidajr@cityofsummit.org prior to the meeting to avoid duplicative questions.

The meeting will be recorded and posted to the City of Summit [YouTube channel](#) after the meeting.

More information on the project is available [here](#). Please call the [Department of Community Programs](#) at 908-277-2932 with any questions.
