## NEWS FROM YOUR CITY

### OCTOBER LIVE Q&A

E-bikes and scooters are a safety concern for untrained kids. Tune in to the City of Summit [Facebook page](#) on October 1 at 7 pm for expert insights on e-bike safety. We'll have another Facebook Live Q&A on October 14 at 7 pm with Mayor Fagan and City Administrator Tammie Baldwin about Summit's budget process. Videos will also be posted on Summit's [YouTube channel](#).

### DOG PARK

This summer, two temporary dog parks were successfully run at Memorial Field and the Village Green. Thank you for the hundreds of survey responses submitted at [cityofsummit.org/dogparksurvey](https://cityofsummit.org/dogparksurvey). Council will review the feedback to decide on whether to build a permanent dog park in one of these locations, potentially included in the 2026 budget. It's not too late to give feedback!

### ELECTION INFORMATION

Statewide and local elections will be held on Tuesday, November 4, 2025. Early in-person voting runs from October 25 through November 2 at designated Union County locations. On Election Day, polls will be open from 6:00 am to 8:00 pm. For details on voter registration and where to cast your ballot, visit [cityofsummit.org/elections](https://cityofsummit.org/elections).

I encourage you to familiarize yourself with the resources and follow the tips, including preparing an emergency kit and developing a communications plan with your family. Keep this guide somewhere accessible at home.

In other news, this fall is full of important events including city gatherings, statewide and local elections, and holiday celebrations!

I hope you will take advantage of this beautiful season in Summit and be a part of what makes this community shine.
