ZOOM Electronic Meeting

Matthew DiLauri, Municipal Housing Liaison / DCS Administrative Manager, opened the meeting at 6:00pm.

Mr. DiLauri reviewed the 2021 Status Report and answered any questions the group had about the updates listed in the report.

Marc Leckington, Administrative Agent, provided an update and answered attendee questions.

The \$1,305,011.06 balance of the affordable housing trust account as of 12/31/2021 was shared. It was noted that it includes the 2021 deduction of approximately \$1.4M for the 12-unit all affordable Habitat for Humanity project at 146 Morris Avenue which is not under permit review.

The attendees (AH committee members and public) were invited to and took part in an open discussion on affordable housing that was both historical and forward looking.

The 2021 Annual Report is on Common Council's agenda for review and public discussion at their February 15, 2022 meeting. The next AH Committee meeting is scheduled for February of 2021 however an additional Fall 2022 meeting was recommended.

The meeting was adjourned at 7:00pm.

Respectfully submitted,
