

Nixle Guidelines

Whether you live, work, or have children that go to school in Summit, Nixle connects you with important updates and information from the Summit Police Department.

Alerts

vs.

Advisories

Emergency, urgent "must-know" situations

Example: Suspect on foot in a neighborhood

.....

When an **ALERT** message is issued, people who have registered an email address and a cell phone number with Nixle will receive an **email and text**.

Public safety, health, weather, traffic information

**Example: WATER MAIN BREAK
Summit Ave closed btwn Deforest Ave and Springfield Ave. Avoid area.**

.....

When an **ADVISORY** message is issued, people who have registered an email address and a cell phone number with Nixle will receive **ONLY an email alert**. **ADVISORY** messages default to the email address. To receive a text message for **ADVISORY** messages, the email address needs to be removed from the Nixle account.
